GRAND JURY TO REPORT

Will Bring In Findings About Saturday—Infractions Few, and County Apparently in Good Condition.

The grand jury will probably bring in their report and true bills found by them on Saturday, according to the best information obtainable. Rumor has it that the jury has been unable to find very many infractions of the law and probably only a few indictments will be returned. Many witnesses have appeared before the jury but conditions seem to be very good over the county, according to these witnesses and from information from other sources.

The jury will inspect and visit the county farm and county jail tomorrow and will probably go over the court house and make some recommendations for changes and alterations.

The grand jury session adjourned this afternoon on account of the funeral of B. Raleigh Martin.

NORMALS TO PLAY "VETS".

One of the Best Games of the Season Expected With St. Joseph Veterinary College Tomorrow.

Tomorrow night will herald one of the best games of the season in the Normal gymnasium. The fast team of the St. Joseph Veterinary college will be here to battle with the Normal five. Because of the fact, that this school is not in the conference rank, it should not be looked upon as an easy contender. The "Vets" played an independent team from DeKalb last Saturday night and completely walloped them. The DeKalb team was completely outclassed at all stages of the game. The DeKalb team succeeded in getting 15 points to the "Vets" 102. The "Vets" used 8 men in the game, giving all the squad a chance. The lineup was as follows: Chambers, Schmile and Lohre, forwards; Skordahl and Anderson, centers; Myers, Gross and Newhart, guards. The field goals of the college were made as follows: Anderson, 4; Lohre, 7; Chambers, 17; Myers, 1; Gross, 2; Schmile, 7; Skordahl, 13.

A. L. Palmer, who refereed the Wesleyan game will officiate in the game tomorrow night.

Coaches Hanson and Palfreyman are very well satisfied over the team's showing and are confident of a pennant-winning team. The Wesleyan game put the touches on the players, which should enable them to make a whirlwind sweep of their opponents.

The line-up will perhaps be the same as played last Friday night: namely, "Gimlet" and "Chido" Scott, forwards; "Agnes" Garard, center; "Dad" Seartlett and "Charlie" Wells, guards. Hahn, Ham, and H. Sawyers, subs.

WEST INDIES OURS SOON

Transfer of Property and Raising of Flag Will Take Place When \$25,000,000 Is Paid.

Special to The Democrat-Forum.

Washington, Jan. 17.—Sovereignty over the Danish West Indies after half a century of negotiations passed today to the United States with the exchange of ratifications of the purchase treaty, by Secretary Lansing and Danish Minister Brun. The actual physical transfer, with the raising of the American flag will take place upon the payment of the \$25,000,000 purchase price, which congress will provide in a few weeks.

During the interim, the government of the islands will be administered by the present Danish governor. Under the terms of the treaty a joint commission is to begin work immediately to arrange the details of the transfer.

The question of the permanent form of government and of name must be arranged by congress, probably on the lines of the Foraker act under which the territory of Porto Rico was acquired. As the new group was acquired primarily at the instance of the navy department because of its strategic importance as a naval base, the department is instructed to be placed in absolute control under such a tenure as exists in the case of the island of Guam.

May Name Them for Dewey.

Washington, Jan. 18.—In recognition of the services of Dewey to his country, Representative Allen of Ohio, today introduced to the house a joint resolution authorizing hereafter that the Danish West Indies be known as Dewey Island.

A POPULAR LECTURE

JUDGE ALDEN DELIGHTS HEARERS WITH "NEEDS OF THE HOUR."

AN EFFECTIVE SPEAKER

Truths Sink Into Every Heart As the Audience Listens For 2 Hours That Seemed As One.

It was a happy, laughing contented crowd that streamed from the doors of the Christian Church last evening after the lecture of Judge George D. Alden during two hours that seemed as one.

Judge Alden's jokes were on every tongue; but his truths were in every heart, and in the Maryville audience he accomplished what he declares to be the aim of his platform work: the bridging about of "lasting effectiveness rather than momentary effect."

His lecture on "The Needs of the Hour," conveyed more to the average listener than a few well chosen sentences on the faults and failings of our American civilization. It lifted him out of himself, and while he laughed at the clever phrasing and the grotesque manner in which the truths were clothed, he obtained a broader view and a clearer conception of the needs of our country as Judge Alden sees them today.

"Needs of the Hour."

Judge Alden summed up the needs of the hour as those pertaining to commercial, domestic, political and religious life. He said that all the ills of the country came from commercial dishonesty, domestic unhappiness, political rottenness and religious indifference.

"Every age is dominated by a spirit," said Judge Alden, "This nation of ours was founded on the spirit of conscience and conviction. It was the spirit of the Pilgrims who came to this country that they might worship God according to the dictates of their own conscience. This spirit for a long time furnished the keynote of American manhood with its craving for liberty and its admiration of loyalty. We live in an age in which the spirit has changed. Gold, graft and greed are the keynotes of American life today. And as a student of history, I say that we are on the wrong trail. No nation in history yet but what went to ruin when it turned its face from God to gold. In America the thirst for gold is undermining American manhood and rotting American character."

Where Graft Danger Lies.

"The danger from graft is not from those higher up, but from the individuals at the bottom who are losing conscience and who cheat in their own small businesses while they cry out in horror at the crimes of statesmen. You can't reform your cities until you have reformed yourselves. And yet, can't reform your towns until you have reformed yourselves. An yet some individuals swell up like stewed prunes to think they are not so bad as they might be."

"The need of the individual today is to return to the old-time standards of religion and morality — to the sanity of honesty. In these days few persons can recognize success unless the "S" has two lines running through it."

Lack of Respect For God.

"The man who lacks respect for God, lacks respect for himself and the lack of self-respect is the cause of all the evils of society. I was an atheist once. I spoke of a fabled God and a fictional Christ. After years of study, I found that the central fact of Christianity is Christ. But there is need of more Christianity and less theology, of more of that Christian spirit that ruled the old-time family."

"A deeper study of the Bible is necessary in the home. Why, the ignorance concerning the Bible is appalling. I heard the other day of a man who until a short time ago thought that Sodom and Gomorrah were man and wife. Another man confessed that until a chance conversation righted him on the subject, he thought the Epistles were the wives of the Apostles."

Judge Alden gave a word of advice to the young men who were about to marry; to the young women when choosing husbands and to married couples on how to live in the married state. He counseled honesty in business, purity in living, a holy regard for the sanctity of the marriage vow and the use of individual religion. He said that he saw great hope for the future in America, and that a great spiritual renaissance was coming in this country.

APPROVE 2ND NOTE

ENGLISH PRESS FULLY APPROVES ALLIES' SUPPLEMENT.

THE SPIRIT IS IDENTICAL

Says That Entente Is Willing to Force Peace Upon the World If Victorious.

Special to The Democrat-Forum.

London, Jan. 18.—Full approbation was given by the press to the supplementary note of the Entente Allies to President Wilson amplifying the previous communication. The new note is identical in spirit with the former document, but contains intimation that the Entente Allies are willing to enter into an international league to force peace upon the world if they are victorious.

The note explains in detail why they believe it impossible at present to attain peace which will assure them such guarantees as they consider essential. The note also explains why the Allies demand the expulsion of Turkey from Europe, restoration of Alsace-Lorraine to France, of Italia irrendenta to Italy and the other territorial changes set forth. They charge that German influence in Turkey had resulted in conditions as barbarous and more aggressive than were known under Sultan Abdul Hamid, and that it has been shown that Germany cannot be expected to respect treaty obligations.

Judge Alden Said:

The grafter is the noblest work of fraud.

I'd rather make people think, than laugh.

A nation without women would be stagnation.

Some grocers use ambushade scales. Do you know what kind they are? They are scales "that lie in wait."

Don't fool yourself on a moral issue. The man who would do this would cheat himself playing solitaire.

The farmer who waters his milk is like Pharaoh's daughter. He wants to get a little profit out of the water.

Two great troubles with the civilization of today are: prosperity among the rich and poverty among the poor.

Never let your desire to gain wealth outweigh your desire to do right.

Some deacons preach hell on Sunday and raise it during the week.

Persons who have a divorce these days think they are the cream of society. Perhaps it's because they have been through the separator.

There should be something else in the marriage vows today besides "love, cherish and protect." A better command would be, "Stop, Look and Listen."

If you want to be popular, don't be a reformer. People will fall upon your neck if you praise their virtues and will walk upon your neck if you mention their vices.

If I were a woman and my husband thought of me only as a washing machine and a sewing machine, I would add one more mechanical device to my "repertoire," and be a thrashing machine.

We do not pray in time of prosperity, but in time of fear. We are like the man, when asked if he said his prayers before going to bed answered, "Yes, if it's a folding bed."

HOPKINS ARMY BOY BACK

Ben Griffith, Discharged With Company, On Visit to Parents—Saw No Actual Service.

Ben Griffith, a son of Rev. D. W. Griffith, who has been with the 4th Nebraska, near Brownsville, Texas, near where the Rio Grande empties into the gulf, is visiting here, his company having been sent home. He is looking much thinner than when he went south some seven months ago and says he has had all he wants of army life. Companies are being sent home according to length of service and he does not know just when Wm. Grammar of this city, now on the border, will secure his release. Ben says the snow looks funny to him here flowers being in bloom and garden truck green and growing when he left Texas. He saw no actual service while away, being on parole duty and ready to go to the front if called. He now wants a permanent discharge from the army.—Hopkins Journal.

Pickering Circuit M. E. Church.

The revival meeting, which has been in progress at Mozingo Valley for the past two weeks, closed last Sunday night. The visible results were an encouraged and revived membership and two conversions and four new members. We were seriously handicapped by the fact that so many were sick with the "grippe," during the meeting and thus were not able to attend. Yet, in spite of this, the attendance was quite good and an excellent spirit of co-operation and good will was manifest on the part of all who attended. The pastor will fill the regular appointments next Sunday at Mozingo Valley at 11 o'clock a. m. and at Pickering at 7:30 o'clock p. m. C. S. Dayhoff, Pastor.

MR. BROWN LIKES TO WALK

Hopkins Man, 66 Years Old, Makes 5½ Mile Trips to Town and Back on "Shank's Ponies."

John C. Brown, who resides 5½ miles southeast of Hopkins, was in town yesterday, making the trip both ways on "Shank's Ponies," or to use language all can understand, he walked. Mr. Brown is 66 years of age but when the weather is cold he would rather walk than ride any time. A few years ago, when the roads were blocked with snow, he had an appointment to talk to the people of Toad Hollow, south of Sheridan, and he made the trip on foot, covering the distance of twenty miles in about seven hours in spite of the snow drifts. He came to this country in 1874 and says during March of that year the weather was so cold that it only thawed three times during the month and then but very little.—Hopkins Journal.

Again for \$1—While They Last This Guaranteed Aluminum Cooker

The cost of Aluminum has doubled since we ordered these lifetime Cookers. At present prices, this offer would be impossible. So, in all probability, after our supply is exhausted, it cannot be made again.

Next week the grocers of this city will once more feature this Quaker Cooker offer. And for the last time, we believe.

We have supplied Cookers now to over 1,000,000 homes. We have supplied these guaranteed Aluminum Cookers for \$1 to Quaker Oats users. But this offer ends with our present supply, and probably forever. Unless Aluminum drops 50 per cent, we cannot again offer a Cooker like this for \$1.

But next week only we make the offer below. You can get this Cooker for \$1, by buying two of our cereals which should be cooked in it.

This offer is made to induce better cooking. To bring you Quaker Oats and Pettijohn's cooked in perfect form, with the flavor kept intact. Our reward will come in your doubled delight in these foods.

We ask the trademarks just to show that you use our cereals. Unless you have the right flakes, right cooking does not help much. But, if you use Quaker Oats and Pettijohn's, this cooker is yours for \$1. This is for one week only. Get the packages from any grocer named below.

One Week Only—Your Last Chance

Our Offer Is This:

Send us two trademarks cut from packages of Quaker Oats and one trademark cut from a package of Pettijohn's—the picture of the Quaker on the front of the Quaker Oats package and the picture of the Bear on the front of the Pettijohn's package—or, if you prefer, you may send us five trademarks from Quaker Oats alone. Send us \$1 with these trademarks and we will mail the cooker by parcel post. Trademarks must be mailed next week. This offer applies in this vicinity only. Address The Quaker Oats Company, 1708 Railway Exchange, Chicago

Quaker Oats

The Extra-Delicious Vim-Food
Flaked from Queen Oats Only

All the world over Quaker Oats holds first place among oat foods. Oat lovers of a hundred nations send to us to get it. A billion dishes are consumed each year. Nowhere in the world do connoisseurs find any oat food to compare with it.

The reason is this: Quaker Oats is made from queen grains only—just the big, plump, luscious oats. No puny starved grains are included. A bushel of the choicest oats yields only ten pounds of Quaker.

The result is a flavor which has won the world—a flavor which is matchless. Yet these large and luscious flakes cost you no extra price.

Nature stores in oats a wealth of vitality which everybody needs. We want you to know this fascinating vim-food, made as we make it and cooked in our way.

Pettijohn's

Rolled Wheat with 25% Bran Flakes
A Modern Bran Dainty

Every doctor advises bran, as essential to right living. It is Nature's laxative. Everybody every day should eat it. It means better health, better spirits, sunnier days. Without it, our diet of fine food forces folks to drugs.

Pettijohn's is made to meet doctors' requirements. The bran is hidden in flaky flakes of wheat. The food is a morning dainty which everybody likes. Yet it contains 25 per cent tender bran.

The bran is in flake form, which makes it doubly efficient. Ground bran will not do.

Try Pettijohn's one week. Note its delightful effects. Never again will you go back to a branless diet.

Then try Pettijohn's Flour. It is 75 per cent fine patent flour mixed with 25 per cent bran flakes. Use it like Graham flour in any recipe.

And in the second place they asked their state senator and representative to be present, and then they stated some of the special needs of the farming interests, including a pure seed law, a feed label law and other similar enactments.

Again for \$1—While They Last This Guaranteed Aluminum Cooker

The cost of Aluminum has doubled since we ordered these lifetime Cookers. At present prices, this offer would be impossible. So, in all probability, after our supply is exhausted, it cannot be made again.

Next week the grocers of this city will once more feature this Quaker Cooker offer. And for the last time, we believe.

We have supplied Cookers now to over 1,000,000 homes. We have supplied these guaranteed Aluminum Cookers for \$1 to Quaker Oats users. But this offer ends with our present supply, and probably forever. Unless Aluminum drops 50 per cent, we cannot again offer a Cooker like this for \$1.

But next week only we make the offer below. You can get this Cooker for \$1, by buying two of our cereals which should be cooked in it.

This offer is made to induce better cooking. To bring you Quaker Oats and Pettijohn's cooked in perfect form, with the flavor kept intact. Our reward will come in your doubled delight in these foods.

We ask the trademarks just to show that you use our cereals. Unless you have the right flakes, right cooking does not help much. But, if you use Quaker Oats and Pettijohn's, this cooker is yours for \$1. This is for one week only. Get the packages from any grocer named below.

Pure Aluminum
Extra Large and Heavy
Cereal Capacity 2 1/4 Qts.
A Lifetime Utensil

One Week Only—Your Last Chance

Our Offer Is This: Send us two trademarks cut from packages of Quaker Oats and one trademark cut from a package of Pettijohn's—the picture of the Quaker on the front of the Quaker Oats package and the picture of the Bear on the front of the Pettijohn's package—or, if you prefer, you may send us five trademarks from Quaker Oats alone. Send us \$1 with these trademarks and we will mail the cooker by parcel post. Trademarks must be mailed next week. This offer applies in this vicinity only. Address: The Quaker Oats Company, 1708 Railway Exchange, Chicago

Quaker Oats

The Extra-Delicious Vim-Food
Flaked from Queen Oats Only

All the world over Quaker Oats holds first place among oat foods. Oat lovers of a hundred nations send to us to get it. A billion dishes are consumed each year. Nowhere in the world do connoisseurs find any oat food to compare with it.

The reason is this: Quaker Oats is made from queen grains only—just the big, plump, luscious oats. No puny starved grains are included. A bushel of the choicest oats yields only ten pounds of Quaker.

The result is a flavor which has won the world—a flavor which is matchless. Yet these large and luscious flakes cost you no extra price.

Nature stores in oats a wealth of vitality which everybody needs. We want you to know this fascinating vim-food, made as we make it and cooked in our way.

Pettijohn's

Rolled Wheat with 25% Bran Flakes
A Modern Bran Dainty

Every doctor advises bran, as essential to right living. It is Nature's laxative. Everybody every day should eat it. It means better health, better spirits, sunnier days. Without it, our diet of fine food forces folks to drugs.

Pettijohn's is made to meet doctors' requirements. The bran is hidden in flaky flakes of wheat. The food is a morning dainty which everybody likes. Yet it contains 25 per cent tender bran.

The bran is in flake form, which makes it doubly efficient. Ground bran will not do.

Try Pettijohn's one week. Note its delightful effects. Never again will you go back to a branless diet.

Then try Pettijohn's Flour. It is 75 per cent fine patent flour mixed with 25 per cent bran flakes. Use it like Graham flour in any recipe.

James C. Lornson, retired farmer, 1023 N. Mulberry street, Maryville, says: "Whenever I have a little stiffness in my back or pain across my hips, I use Doan's Kidney Pills. At one time, when my kidneys were badly congested and my back was all crippled up, Doan's Kidney Pills removed all the pain and misery and fixed me right up. This medicine also removed the dizziness in my head and generally improved my health. I never fail to praise Doan's Kidney Pills when I have a chance."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lornson had. Foster-Milburn Co., Props., Buffalo, N. Y.

**INSTANT ACTION
SURPRISES MANY HERE**
This grocer's story surprises local people: "I had bad stomach trouble. All food seemed to sour and form gas. Was always constipated. Nothing helped until I tried buckthorn bark, glycerine, etc., as mixed in Adler-I-ka. ONE SPOONFUL astonished me with its INSTANT action." Because Adler-I-ka flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold.
